**"The Universe Is A Mystery"**

**"Human Life Is A Mystery"**

**"The World And All The Planets And Stars Are  
Mysteries"**

**"All Oceans And Bodies Of Water Are Mysteries"**

**"The Sun, Stars, Moon Are Mysteries"**

**"The Creation of all that exists is a Mystery beyond what any human mind can or could perceive in the in-depth Mystery of Its Creation and Existence."**

**"No matter how much or how indepth the present so-called theories and knowledge are, they are incomplete in some way, some degree; perhaps multiple ways and degrees, and physical capabilities."**

**"Knowledge has encouraged and instilled into human life more reasons for human life."**

**"Interpretations must be seen for the indepthness they were instilled, because there are so many facets to learning properly the reasonability and value of mental, moral and spiritual understandings."**

**"In the conception of human life, many stages of development had to occur to reach the present day status of Proven mental and physical capabilities."**

**"Much of human life's intentions, actions, interests and behavior depends on what an individual allows his or her mind to practice and/or dwell on."**

**Such as**

**"Moral Behavior"**

**"Motives"**

**"Physical And/Or Monetary Means"**

**"Methods Of Doing Things"**

**"Human life has five important factors to use in all areas of making decisions that will affect one's Soul."**

**They are**

**"One's Mentality"**

**"One's Morals"**

**"One's Motives"**

**"One's Means"**

**"One's Methods"**

**"Each of these cover many areas of one's conscience and moral obligations."**

**"Also, not to be ignored are an individual's**

**"Virtues"**

**"Values"**

**"Justice"**

**"Judgments"**

**"The advent of Script was a tremendous asset to helping human beings learn and remember facts of importance for all facets of life; the ability to cope with situations, ideas and actions that otherwise would have no logical purpose or goal. "**

**"Modern age has developed scientific prescriptions of so many dimensions, not entirely on one subject, but many."**

**"The institution of Christianity gave birth to a more civilized meaning to human behavior and purpose."**

**"Christianity instilled into the human minds, of an Ultimate Source of Purpose and Design, to give human life a Goal Higher than all other living matter or things."**

**"Christianity awakened and alerted the human mind to see more reasoning and purpose to assist human beings in the logic of the Magnitude that cannot be seen, heard or physically felt — called GOD."**

**"The beginning of Christianity was of the utmost importance because it created an indelible reasoning and purpose for human life to have been created, thus instilling hope in the Importance of a Reasonable Purpose for a Goal for human life to achieve."**
