## SAINT THERESE OF LISIEUX

**“I** am Saint Therese of Lisieux. This Gift of The Father’s Love is a Gift Greater than a human mind can discern It to be.

**W**hen I walked the earth as a human being, and I was given the guidance, the values, the love for my vocation, I innately did not want to cause any impurity to enter my way of life. I prayed each day for aid, for help to control any wrong thought, impure act, unkind deed, because I feared it would attack My Soul, and I would not be able to repair the damage I had allowed to occur.

**S**o few men, women and children understand that their Soul is a reflection of every word, deed, action, thought, move, that they act in or upon every moment of every day.

***The world has been blessed by this Gift of The Father’s Love, allowing so Many of Us Saints to partake, to encourage those yet to come Here, that human life is the first step to one day becoming a Saint. Sainthood is through one’s Soul, because that is the Portion of human life that The Father gives at the moment of conception, because without a Soul human life would be like all other living matter or things.***

**T**he Soul, never seen, is oftentimes felt in different ways, sometimes through one’s conscience, other times through one’s earnest endeavors to do what is right, what is pure over what is impure, indecent or harmful, in some form indescribable to the human mind.

**S**o Many of Us have been allowed to speak through this Special Gift of The Father’s Love for human life. It is important that All Messages thus far delivered and More to come, be spread throughout the world. No

matter what reception They get, They receive, never stop, because sometimes an individual human being may feel adverse to hearing What We have to say, but eventually there is a moment, an occasion, a time that Our Words will give hope, strength, and a deeper understanding to an individual who, at that particular time, needs more than another human being's perception of a situation that in many ways can affect many, many minds and lives.

So be it.”
