

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JANUARY 24, 2000 AT 1:13 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

I have been given the privilege, the honor, to speak Words of Great Importance to men, women and children of all ages, all backgrounds, all degrees of intelligence, ***because human life is a Gift of Divine Love, and must never fail to see this life as a Gift of Great Dimension, Great Purpose, and a Beautiful Goal; a Goal beyond what human life can reach in the physical role.***

There are millions of men, women and children who have heard about this Gift through The Beloved Holy Spirit Of The Creator, but they have rejected the Fact, the Purpose, the Logical Reasoning behind such a Gift, so they deny any association with It, and yet these very same people openly accept, devour, many wrong actions in human life: greed, spiritual abuse, moral degradation to their body, to their will, ultimately to their Soul.

There is no place throughout the world that so much is being delivered, put into script, so that mankind does not have to worry about remembering such Sound Advice, Direction, and the ability to change all actions, all thoughts, all ideas, all ideals, all practices, into what is beautiful for the Soul.

The little one We All speak through is ever conscious of Our Presence, ever aware that she is but an instrument and must be prepared to admit Us into her mentality, so that What Any of Us will to speak, will be put into script for millions of individuals to grow more deeply in understanding regarding the Importance of human life, the Reason for which it was created, and the Goal that it has the privilege to live through, live with, live on forever in the Presence of The Beloved Creator Himself.

These Words, though difficult for some to believe, impossible to understand, nonetheless are Words of Great Instruction, because through giving mankind of all ages Words such as These are, gives Hope to human life, and explains the Reality for which human life was created, because of Divine Love and the Goal for which human life has the privilege to reach.

The well-known name for it is Sainthood, because each Soul Who arrives, Who returns to from Where It came, will enjoy returning, and no human mind could possibly understand the Greatness of this Joy, because in the human mind there are limitations to all things, there are positive degrees of understanding of happiness.

As I bless you, I plead with you, use each day as a stepping stone for the Soul you have been Gifted with at the moment of your conception, that will bear your name in the Presence Of The Creator at a given time. So be it."
