GOD THE FATHER

“This little instrument of Mine is tortured by the evils of mankind, because so many try to ignore My Will and use only their humanistic tactics, egos, determinations and goals, to disprove All I Have Allowed To Be Delivered through one small instrument of My Divine Love.

Mankind is standing on a precipice of Hell because so much diabolical interference in this Gift of My Divine Love.

I have given to the world a Gift beyond what human life is capable of designing and/or accomplishing in the human mind, abilities, and/or capabilities.

I speak often through her being because I have chosen this little one to give to all of mankind My Divine Love, and Instructions on how to see and control their humanistic weaknesses that cater only to the enemy of Mine and man’s.

The world has been blessed and I intend this Blessing of Mine to win over all obstacles, all interferences, and all entities of the enemy’s desire to rob Souls of returning to Me.”
