

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MARCH 22, 2000 AT 12:58 P.M.

SAINT MARGARET MARY ALACOQUE

“I am Saint Margaret Mary Alacoque.

For a long time this little one through whom We All speak has been obedient to Divine Will, because if this were not so All that has been delivered would have been wasted, and this would have been a terrible thing to occur.

Mankind must remember that the Written Word does not allow any Evasiveness to Truth, but in many ways it confirms Important Words, Messages, Facts that mankind is to learn to follow, because of the Importance of Each One of Them.

You live in a precious time of Divine Love. Some will question what I mean by precious, but I use it in the same manner as that if you had a jewel that was precious because it was perfect in every way, and in this jewel there was great worth.

Every Word that is spoken through this little one, even when it is not formal, there is evidence of Someone from Where I am is speaking in a casual tone, casual manner, so that the Message can be easily acceptable to their nature, to their form of life, their manner of doing things, or even their temperament, and ability to understand facts, figures.

The little one through whom We All speak, in many ways, is a channel of hope to all of mankind, irregardless of color, race, creed, or spiritual understanding. ***The Love The Father has placed within this Gift is far beyond a human love; It is Divine in Origin and Fact.*** Each Message is to encourage someone to more fully understand that human life was created in the Image of The Creator,

with a knowledge, a sensitivity, and the ability to fulfill obligations; also, the gift of caring for one's fellowman.

Today is an important day for many reasons, because this little one through whom We All speak has been ordered to give firm declarations on Important Subjects. She knows this.

The world has been blessed in many ways. There has been no other time in the history of human life that so much has been openly stated, also requested to be put into print so that those who follow in the human way will be guided more personally, more directly, more clearly, on what human life must see, feel, and use to become a Saint.

As I leave you, I beseech you to allow All that has been delivered and put into print to saturate the world, even in places where many cannot read, but the Books alone, the Statements alone, in some way, some form, some means, will have an impact.

As I leave you, I bless you, for as you are the instruments of Divine Love, never forget your Soul is a Portion of The Creator, and It expects you to serve The Father well. So be it."
