

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON APRIL 7, 2000 AT 1:20 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

Mankind gauges many important facts in life on the term ‘generations’, thus separating one type of concern, or one group of what could be termed ‘actions’.

There are so many generations obvious in one family. Children say, ‘I belong to the new generation.’ We always smile at this because the word carries so much weight even when the subject is unimportant. The word does separate one time with another time.

Today as I speak, I speak in a generation in which so much has been delivered by The Creator of All Things. It is important that this time in the history of human life, this generation of life, be seen, looked upon, as an important generation chosen by The Father to have been given the privilege of putting into Words dictated by Many Saints, and also The Father Himself, on the Importance for which He created human life, and the Goal He has intended for it.

I speak this way to alert all generations now to be sure that at this time much will be remembered, in the remembrance of a time when The Father, The Son, and All the Saints spoke, Instructing human life on the Importance of human life, and the Purpose for which it was created.

Time moves on, time passes, but All that has been delivered through this Gift of The Father’s Love is to be put into books, into script, for millions of men, women and children of all degrees of intellect, who speak all languages, to be able to return to All that has been spoken in this Gift of Divine Love. So be it.”
