

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JUNE 12, 2000 AT 12:57 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

The Father, in His Love for the creation of human life, has never allowed it to be without some Sign of Him evidenced in Some Form, Some Manner, Some Degree. The human mind, many times, sees Signs of Warning, of Direction, of Concern, but in many ways, ignores what is obvious regarding their actions, their thoughts, their morals, their practices, because they find in what they are about to do, say, think, more interesting, or practical, or necessary.

The Father has blessed the world with Millions of Words down through time, through different voices that were instructed to put into script Important Issues, Values, Concepts, encouraging individuals of all ages, all degrees of intellect, to see beyond what they felt, what they were interested in, what they practiced in a so-called ‘normal way of life’.

Through this Gift of Divine Love, bearing the Name of The Beloved Saint Joseph, much emphasis has been placed on what each human being is the custodian of, and that is the Soul.

Now, logic should tell everyone reading these Messages that the Subject of this Gift of Divine Love would be the Soul, because as this Gift is a Gift from The Divine, bearing The Holy Spirit of The Creator, all Subject Matter would be on that Part of human life, alerting all minds, all temperaments, all degrees of intelligence, that human life was closely Associated, Connected to The Creator; and because human life was endowed with an intellect, the individual would see the value of what is pure over what is impure, just over what is unjust, logic over what is illogical, to

participate in, to speak about, to practice, or to be example of.

Each human being born has a Goal, not always being instructed by other humans about the Goal. That is why this Gift, at this time, is so Important for the human minds of human beings to be alerted to the fact that they are the possessor of, they are Gifted with a Portion of The Creator that nothing else is privileged with, and that is an Unseen Entity of Beauty, of Grace, of Goal.

As I leave you, I beseech you to say prayers during the day, not out loud, not with an open voice, but through your mind communicate with The Divine. It will take no effort, but it will be rewarding in many ways, at different times, ***and when the day comes and your Soul stands ready to be Judged, the Soul will have been the recipient in all you have practiced and done.***
So be it.”
