

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JULY 25, 2000 AT 1:17 P.M.

SAINT ALPHONSUS LIGUORI

I am Saint Alphonsus Liguori. It is sad to see so many adults — men, women — of ages wherein their intellects should help them better understand the importance of human life, and that it has a Purpose; it was not just created for a period of time.

The Father's Creation of human life was elected to have Dignity, Purpose, and a Goal; the Goal beyond any goal that the natural talents, abilities could conquer, unless evil was eliminated.

Let me say this: 'This Gift of The Father's has been in the world for a long period of time, and sad to say, All that has been revealed is not being scattered so that millions of men, women and children can read It, see the Value of It, and follow the Importance of the Concept for which It was created.'

Many Here in the Heavens watch this Gift of The Father's every moment of every day, because So Much Has Been Delivered In A Logical Form, giving to all of human life why it was created, and that it has a Goal that nothing else created has.

We see so much diabolical acceptance, and when it occurs it is a sadness beyond what the human mind knows sadness to be, because the Soul, that is the victim of the actions of whom It is in, bears the burden of the sin.

Many of Us speak and do not ask for Our Words to be put into script; also, We are always present in some form when you, as a human being, are in a place other than this, because your Soul is Important to The Creator. And if you will but at the moment of

temptation, that would be unjust to your Soul, say a prayer for help, and you will get the strength to conquer the weakness you feel at that moment.

As I leave you, I beseech you to never forget that you have a Portion within you that was the Greatest Gift that you could ever receive, because It is a Gift of your Connecting Link to return to The Creator your Soul for All Time.

Now, time to mankind has a limitation to it, ***but you must remember the time that your Soul is freed, It will remain with The Creator Forever and Ever and Ever.*** So be it.”
