

SAINT IGNATIUS LOYOLA

“I am Saint Ignatius Loyola.

**S**o many Saints stand with Me here today, and Each of Us has a sincere need to reach human beings of all races, all colors, all degrees of intelligence, regarding how they perceive what they are doing, what they are exposed to, their aims, their goals, because as it has been said before, you live in a time worse than the well-known Sodom and Gomorrah.

**I**mmorality is prevalent, and yet these very same individuals proclaim belief in The Creator. What other beliefs they claim are, many times, because of what they have read and feel it necessary to agree with. It is sad to say that you do live in a time worse than Sodom and Gomorrah, and the reason these words are used, because in Bible History they were prominent words, due to what occurred there, what happened, how people lived.

**I**n so many ways, at this time, there is a great struggle in the minds, in the actions of human beings that need some direction, because sincerity in the sound true belief in a Creator does not exist in its full concept.

**I** could speak hours on this subject, because We Here in the Heavens see so much that is pleasing only to the enemy; and even those who pray to a Saint, to The Heavenly Father, oftentimes say it out of habit, eliminating the Closeness because of the Soul that each human being is the custodian of.

**I**f you were to ask someone you did not know very well, ‘What condition is your Soul in?’ their response might frighten you.

**O**ur Messages through this Gift of Divine Love are very often kept at a particular length, so that there is not too much given for the individuals who read Them to fully understand the Subject in the Importance it is given.

***As I leave you, I beseech you, use prayer in everything you do. Offer up all things for the offenses that you might take for granted within yourself. Be blessed by this Gift of Divine Love in your way of life, by changing some things that you know will draw you closer, or I should say your Soul Closer to Divine Will. So be it."***
