

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON AUGUST 3, 2000 AT 1:04 P.M.

SAINT MARGARET MARY ALACOQUE

“I am Saint Margaret Mary Alacoque.

Each of Us Saints waits for The Father to designate One of Us to speak through this Gift of His Divine Love, that was created to Instruct, Instill into millions of human beings, all races, all colors, all creeds, the Importance of human life, and the Goal for which it was to achieve.

So many Blessings pass through one voice into Words, so that many, even thousands or more, will begin to understand that human life is definitely in Divine Plan.

We hear some men, women and children talk about all the aspects of their daily way, things they like, things they are displeased with, things that they wish would go away. So many men, women and children ignore the fact that human life has a Great Goal, and this Goal is Special to human life because It is for the Soul.

We hear so many say: ‘I never see my Soul, and the only One Who teaches about It is Spiritual Talk from some Saint.’

Children, in many ways, feel close to something they cannot see, because they innately know right from wrong and feel the Presence when they are making a decision. ***Remind them that their Soul is present every moment of every day, and their Soul is the Connecting Link to All of Heaven.***

SAINT MARGARET MARY ALACOQUE

As I leave you, I beseech you to say a morning prayer to open your day, a night prayer to close the day, but never forget, your Soul is always in the Presence of God twenty-four hours a day. So be it.”
