

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON AUGUST 8, 2000 AT 1:08 P.M.

SAINT ATHANASIUS

I am Saint Athanasius. It may be difficult for some who read My Words to fully understand that you live in a time with many heresies prevalent throughout the world.

It is important that every man, woman and child fully understand what a heresy is, and how important it is to not be part of a heresy, because a heresy is developed untruth. Heresy many times is used for diabolical reasons only.

All through time, since the beginning of human life, mankind was allowed the capabilities to use their mentalities to the degree of their capability on given subjects.

In the beginning of human life there were many things to learn and adjust to. This story, of course, has much information in it, leading up to this time in which men, women and children are accustomed to a greater dimension of values, capabilities, and intellectual advantages.

Today as I speak, My Words are to draw attention to the importance of the ability of human life to judge what is right, what is wrong, for the mental, the physical and the spiritual. It is a very important period of time wherein there are so many advantages in more fully understanding what life was created for, the importance of everything an individual partakes in, because logic says that human life has a Purpose beyond what other things have.

Through this Precious Gift The Father has given to the world, bearing the Name of The Beloved Saint Joseph, so Many of Us Saints have been given the privilege to speak openly in

describing what is important for each man, woman and child, because of the Soul they are the custodian of.

We hear some say: 'What is a Soul? Is it the way I think, only connected to my mind? I do not feel an extra limb, an extra head, an extra part in my body that other people do not have.' The Soul, as a Portion of The Creator, is evident in one's conscience, in being able to judge what is right, what is wrong, what is pure, what is impure, what is just, what is unjust, and these things are evident in many of one's thoughts, ideas, talents, association with others like themselves, and one's conscience.

Today, like all other days that The Father permits One of Us to speak through this Special Gift that only The Divine could give, ***it is Important that all who read the Words that Each Book contains, will find Hope, Love unlike human love, and the Beauty of Justice will be more evident in how they think, how they feel, because justice has encouragement in it, strength in it, hope in it, and definitely a recognizable concern of what is truth, what is important.***

I could speak hours on this subject, but what I have spoken, hopefully will be remembered in its full context, ***because All of the Saints Here in the Heavens want all Souls to be Returned to The Father in a Pure State of Light, the Way They were given at the moment of conception.*** So be it."
