

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON AUGUST 11, 2000 AT 1:50 P.M.

SAINT THERESE OF LISIEUX

“I am Saint Therese of Lisieux.

**T**his Gift of The Father’s Love for all races, all colors, all creeds, is truly a Gift of His Divine Love. ***There is nowhere in the world that so Much is being delivered on instructing all ages, all backgrounds, all degrees of intelligence, all degrees of Faith in a Creator, like This One is.***

**M**ankind uses the word ‘*blessing*’ in a very general way, sometimes in a very humanistic manner, saying that something that occurred, even when it was a natural occurrence, it is called a blessing; but this Gift of The Father’s Love, in which so Many of the Saints have the privilege to speak on subjects encouraging human beings of all ages, all degrees of intellect, on the Importance of that One Precious Gift that each human being is the possessor of, called the Soul.

**I**n the average day of human life, there are many discussions on monetary means, on humanistic pleasures, practices, involvements, and a desire to progress for some reason that will suit the individual’s personality, temperament and/or need.

**A**s The Father allows so Many of Us to speak, Much is being delivered on the Importance of the Purpose for human life, because of the Soul that each human being is the custodian of. ***No greater possession could a human life be the custodian of, because the Soul is a Portion of The Creator and is above and beyond anything that a human being can address as important in a material way, a physical way, or a monetary way.***

**T**he world of mankind, no matter what language they speak, must become aware of this Gift of The Father's Love. The awareness will awaken something within them to want to better understand what a Gift of this Divine Love means to them, for them. So much has been given in a very ordinary way, encouraging men, women and children to feel the closeness of a Divine Way, a Divine Purpose, a Divine Goal.

**M**ankind has been blessed to a degree difficult for a human mind to fathom, but nonetheless, it is obvious in All that has been given. ***Blessings of this Degree, Nature, Phenomena, are rare, because mankind must learn what a Blessing of this Degree means to all of human life for centuries, until The Father Decrees another time to be.***

**A**s I leave you, I bless you for your cooperation and your sincere effort to share with the world of human beings, Important Issues, Facts, to aid the Souls in returning to The Creator, Saints, as The Father intended it to be. So be it.”
