

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 14, 2000 AT 12:48 P.M.

SAINT FRANCIS OF ASSISI

“I am Saint Francis of Assisi.

Faith comes in many degrees, hope comes in many degrees, sorrow comes in many degrees, love comes in many degrees. Each human being differs in how they accept things, and the degree or the dimension in which they feel responsible for what they accept.

Throughout the world human beings of all different intellects accept spiritual life in a different format, different degree, different responsibility and, of course, according to how they were trained to believe, or how they found a particular way to believe, pleasing to who they are, what they are, how they live, and how they feel about a Supreme Power in charge of all things.

In so many ways, it is important for human beings of all degrees of intellect to more fully understand that there is One Creator, One God, and it is important for their Soul, to not fully understand God, but to believe in His Presence, and the Magnitude of Who He is, What He can do, What He has done, and that He is the Judge of their Soul at a given time.

I will make this short, because what I have spoken is of Great Importance. So many individuals study what they call a ‘Religion’, and they feel bound by what the written word tells them regarding the Supreme Powers, such as a Creator, and All the Saints. Oftentimes they omit The Heavenly Queen and, of course, other facets of What is Important for the Soul.

I will speak more on this later. So be it.”
