

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 16, 2000 AT 1:12 P.M.

SAINT THERESE OF LISIEUX

“I am Saint Therese of Lisieux.

I had the privilege to be present when this Gift of Divine Love was announced. At that time there was no concept of the Magnitude The Father intended for this Gift to give to the world so much Information, so much Direction, and so much Hope.

It is important to know facts, but when the facts affect the human way of living, it is more important to fully understand the responsibilities one has regarding carrying out the facts, according to the degree they are beneficial, helpful, important, and needed.

So many Saints have spoken through this Gift of The Father's Love, making this Gift One to be remembered as One of the Greatest Gifts human beings could receive, because of so much Direction, so much Instruction, and so much Divine Love involved in each Thing, each Subject, each Word.

Though it is difficult for many to believe or understand or accept without question, the Beauty of this Gift, the Importance of this Gift, and the Divine Love in this Gift, it is necessary for this Gift to travel throughout the world in all languages, because the fact that the physical in a human being does not understand or feel the necessity to know these things, The Father has given this Gift to all of mankind, because of the Soul that is the recipient of everything a man, woman or child thinks, speaks, acts out, or even portrays in some feature, factor of human life.

Children are not being instructed on the Importance of the Soul that they are the custodian of. There are no teachers, because there

are few believers in a Miracle of This Dimension, but you must remember that the written word lasts a lot longer than the spoken word. That is why so much has been requested to be put into script.

Those who write the Words have the benefit of seeing to it that these Words could fall into a very important place, that needs every word on the piece of paper. You have no idea how many will read What has already been put into script for the benefit of millions of Souls, not just in this time you live, but in a long time, for a long time to come.

You are always blessed as you put the Words into script, blessed by more strength ***to more fully understand how close The Father is to man, and the Gift of the Soul that each human being is the custodian of, responsible for, and that Portion of human life that will be returned to The Father at a given time.*** So be it.”
