

REVELATION DELIVERED THROUGH FRANCES M. KLUG

SAINT ATHANASIUS

“I am Saint Athanasius.

Hypocrisy and heresy is prevalent throughout the world. It stands openly amidst all nationalities, all backgrounds, all degrees of intelligence, and all degrees of sensitivities that relate to what is moral, what is immoral, what is truth, what is untruth.

The freedom of the will in the human nature is a Gift of Divine Love, but is oftentimes abused by the personality, eagerness or temperament of an individual.

Let us take one facet of life that children are scolded for, and that is selfishness that is expressed in so many ways.

It is important that these Words reach far and wide to all types of human beings, all backgrounds. It is necessary for all people, no matter what degree of intellect they possess, to fully understand the Purpose for which they were created, the Goal for their Soul that has been talked about, such as returning to The Father in a Pure State.

Today as I speak, it is with much love for human beings and, of course, much concern for their Souls, ***because it is the Soul that will pay the price when the heart stops, and thus will be Entering a New Life.*** So be it.”
