

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JANUARY 10, 2001 AT 12:48 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

What I am about to say is of Great Importance due to the fact that All Saints do not have open recognition regarding their Sainthood. Many men, women and children led ordinary human lives, and were never canonized a Saint by the authority in charge of this.

Always remember, everything you say, you do, you practice, your Soul is responsible for, and through the Soul given to you at the moment of your conception, you have the privilege to one day return It to The Father Pure in Every Way.

Sainthood is a recognition of particular organizations. All Saints are not registered in these organizations. Remember this fact; it is important.

Every day of human life has the privilege to bear in mind, at all times, the True Presence of a Divine Creator, and that each human being born has within himself or herself a Portion of this Creator.

Today as I speak, it is important that these Words be seen by millions of men, women and children of all backgrounds, because in so many ways, there is a mistaken idea that unless you are canonized a Saint by an organization, you are unidentifiable in this Gift of Divine Love.

Though it is difficult for the human mind to fathom the beauty of becoming a Saint, nonetheless it is fact, because the human

creation has more Facets of Divine Love in it than any other living matter or thing.

The Father uses one small voice with so much Direction, so much Information. This alone should give proof that the human body, intellect, and all its abilities, has a Chosen Place, and a Goal beyond what any other living matter or thing is the recipient of. Human life is gifted with a Future Far Greater than the human mind can perceive.

As I leave you, I beseech you to look for the Goal, work for the Goal that The Father created you for, and that is to return your Soul to Him a Saint. So be it."
