

SAINT ATHANASIUS

**“I am Saint Athanasius.**

**Heretical practices, beliefs and associations are prevalent throughout the world. Even some pray hard for benefits and for more understanding of how they feel, how they declare moral situations to be.**

**Heresy is easier for many to believe, because it does not restrict their thinking to One Savior, even when they choose something to idolize, whether it be a physical or just an article of some sort. This article has dimensions to it, signifies something, but in reality, it has no identity to The Holy Trinity.**

**As We All use *one voice* to spread so much Logic, Help, to mankind of all ages, all degrees of intellect, all backgrounds of nationality, the world is empty, because Truth, and especially if it is Sacred Truth, is oftentimes abused, or there is much disbelief attached to it, thus causing emptiness in a Spiritual, logical format.**

**Children are not being instructed on the Importance of Truth; also, The Commandments are, to many people, a Thing of the past. They have been brought down to one line, when there is truly so much definition in the Full Concept of The Commandments. Each One unto Itself gives strength, but also gives an individual the reality of a Divine Law.**

**As I make My Words short, it is in the hope that millions will read My Words, because Truth has a way of having a deep reality.**

**As I leave you, I beseech those who read These Words to say each day an *Act of Contrition*. Whether it be formal or informal, remember to say that you are sorry for anything offensive you partook in, but also promise, as you speak, that on the morrow you will take more care in how you think, how you act, what you say. So be it.”**
