

SAINT JOSEPH, THE HOLY SPIRIT

“I am Saint Joseph. This Gift that bears My Name is a Gift beyond what the human mind can fully comprehend, understand. It is important that this Gift, with All that has been given, directing human life of all ages, all degrees of intellect, on the Purpose for human life, and the Beautiful Goal that awaits each human life.

Without a Soul, human life would be like all other matter and things. The Soul is the Connecting Link to The Divine Way, Divine Will, Divine Being.

It is impossible for human life to fully understand the Valuable Love passed through this Gift to man. When I say Valuable, I mean It is worth so much beyond any human idea, understanding, or ability to comprehend. The Blessings that pass through this Gift are numerous, and the Blessings come in many ways and are delivered to each individual according to the need of the individual, those who hear the Words, and those who read the Words.

The Father has declared this Gift to be so Important to the Souls of millions of human beings because it is in His Love for human life, because each human life has a Portion of Him within it called the ‘Soul’.

Children are not being instructed on what human life was gifted with, or the reason human life has all the Gifts it has: a mentality of understanding, of comprehending, of learning, of believing. No other living creature or thing has these abilities; also, human life, with the Goal that it has been promised for the Soul that is a Portion of The Creator, is the only living matter or

thing with this Goal to look forward to, to return to The Creator, to live forever with The Creator, in a manner and way different than human life was first lived, but a way of Beauty, Happiness, Hope, and Divine Love in every moment, in every way.

I could speak hours on this subject, but it is Important that All that has been delivered through this Gift that bears My Name, be delivered throughout the world because, you see, there is nothing else equivalent to It in any degree or way.

Remember My Words, live what They say, and never forget that the Soul of every living human being has a Goal Greater than the goal of human life, because the Soul will return to The Father a Saint. So be it.”
