

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON FEBRUARY 12, 2001 AT 1:16 P.M.

THE SACRED HEART

“I am The Sacred Heart. The Gift of human life is a Gift beyond all other living matter or things because at the moment of conception I instill in it a Portion of Myself. This is always evident through the life, in what it does, what it stands for, and the strength that exists within it to be able to make decisions that are in accordance with My Commandments.

It is important that every man, woman and child understand that they are the receivers of a Gift of My Divine Love that is Above and Beyond any living thing.

Today as I speak through one small voice, I want the world to know that The Father Wills this time to be seen for its Worth, for its Greatness, and for The Divine Love that is instilled in every human birth.

Children must be instructed regarding My Presence that is constantly within them, around them at all times. As I gave human life a heart, I gave them a Portion of My Heart, to beat for the Goal that I intended human life to reach. The receiver of That is to return to Me as a Saint. So be it.”
