

SAINT PEREGRINE

I am Saint Peregrine. There are many Saints standing Here with Me now. Each of Us wants you to understand and to realize the full measure, meaning of All that has been delivered, and is being delivered through this Gift of The Father's Love for the Souls of millions and millions and millions of human beings throughout the world.

In so many places there is total ignorance of the existence of the Commandments that were given to give mankind balance in every facet of life, instructing what was acceptable, what was not acceptable, because of the importance of the human body, human mind, human Purpose, that was designed to return to The Creator a Gift of His Divine Love, called the 'Soul'.

The Soul is not seen, but It is innately felt. How would every human being know what would be morally right, morally wrong, or improper to accept when it would cause them to sin against the flesh, or against what was pure in any part of life?

Thousands of Words have been delivered, instructing every degree of intellect to more fully understand that the birth of human life, to man, is the greatest gift, because within it, it is the custodian of a Portion of The Creator that nothing else has.

This Gift of Divine Love, called 'The Miracle Of Saint Joseph' is because in the human form He was called 'Joseph', but in The Divine He is The Holy Spirit of The Creator of All Things. These Words must be remembered.

So as this Gift, bearing His human Name, is evident in so many

ways, All that has been delivered must never cease in Its traveling throughout the world, for all degrees of intellect, all degrees of human understanding to be subjected to Its Great Worth.

As I leave you, I bless you, those who take My Words, because as you are the instruments of Divine Love in how you work for this Gift, you are blessed in ways you cannot feel, you cannot see; but one day you will understand that through this Prophecy, you will be Where The Father Wills you have earned the privilege to be. So be it.”
