

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON FEBRUARY 22, 2001 AT 11:24 A.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

Many times, when individuals hear that at this time human life lives in a time worse than Sodom and Gomorrah, they ignore this statement, because they feel that through the changes in time, mankind has progressed to a point of greater understanding, stronger belief in what is right over what is wrong; also, that the mentality of human life is on what human life would call the ‘upswing’.

Today as I speak through one small voice, it is important that All that has been delivered was necessary to be put into script, because there is no place throughout the world so much Important Information, Direction, and the need for Correction is being delivered.

Human life is a Special Gift of Divine Love, and through nature, through the natural source of understanding, it is understood to be the one creation that has a Future to go to, for the Soul that is given to it, because of the Importance of the Soul each human being is given, giving to human beings a Great Purpose for obeying the Commandments and looking to The Creator as an Ultimate Source, Force, Life.

So Much has been given, and it is sad to say so little attention has been attached to the Importance of Every Word We speak. ***All of Heaven comes forward in this Gift of The Father’s Love for human life, because human life has a Portion of Him, of The Creator within it.*** Without this Gift of Divine Love, human life would be nothing but a piece of dirt, a piece of sand; some would say a ‘grain’ of sand. Whatever word pleases you, be sure you remember

it.

The Father has given to the world for some time now, a Great Blessing, not understood by many, only a few. That is why it is so important that All that is Important from Here be delivered throughout the world. All of human life is to more fully understand that human life, as man, has a Goal.

As One of Us speaks, there are Many present, All desiring the same thing — that What is spoken will be remembered, followed, and passed on to others, because there is no human being that does not have a Portion of The Creator within it. So be it.”
