

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MARCH 13, 2001 AT 1:23 P.M.

SAINT JOHN THE BAPTIST

“I am Saint John The Baptist.

Many Words have been put into script on behalf of My Way when I walked upon the earth. My Mission was The Father’s Will, so that human life would know what a mark a sin can leave on one’s Soul.

Today as I speak, it is sad for Me to say, there are millions who do not understand the Importance of this Gift of Baptism, according to Divine Plan. There are so many versions in the minds of human beings on what this Act contains. First of all, the Act has one Important Fact, and that is to remind human beings that sin does exist, and by putting it in the text, context of it having occurred a long, long time ago, helps to make it more understanding, and not a so-called ‘modern’ thing.

Today as I speak through one small voice, My Words will be read by millions, and some will understand the Importance of this Gift that gives to human life a pure beginning.

I beseech those who do not fully understand, that this Act is in Divine Plan, to remind human life that sin existed a long time ago, and through the Act of Baptism is cleansed because of the Soul, ***thus making all actions of human life accountable for the Soul that each human being is gifted with, to be returned to from Where It came, in a Pure State of Light, Life, because the Soul, as a Portion of The Creator, He wants returned to Him as a Saint.*** So be it.”
