

SAINT MICHAEL

“I am Saint Michael.

It is with deep interest, concern, I have been asked to speak today, for My Words to be put into script to be read by millions of people of all ages, all degrees of intellects, personalities, intentions, hopes, desires, and many other things.

The world has been blessed by this Gift of Divine Love that bears The Name of The Beloved Holy Spirit of The Creator. It was also used at another time to a great measure, because He was selected by The Creator, to be the Foster Father of The Son of The Creator, and a Protector for The Holy Mother of The Creator.

In giving to the world of human life a Family Unit of so much Dignity, and also, with so much Divine Love, it is sad to hear individuals ignore the Value of What they have received through what would be called a natural phenomenon.

The little one The Father uses and The Son of The Father uses, and The Holy Spirit of The Father uses, and All the Saints have the privilege to use, is subject every moment of the day to listening to what They desire to say for the benefit of the Souls of millions of human beings. Though this may be difficult for some to understand, it does not erase the Value, the Truths from the Words. In fact, it should sometimes frighten many human beings to be subjected so closely to The Divine.

I could speak hours on this subject, and the little one through whom I speak knows this. Mankind has been blessed abundantly by

this Gift of Divine Love, by All that has been taught, All that is being taught, and All the Obvious Logic in All the Words.

As I close My Words at this time, I remind you, respect for The Miracle of The Beloved Holy One called Saint Joseph in the human form, is Truly The Holy Spirit of The Creator. Now logic should tell all of human life that The Father would use this Particular One to be the Foster Father of the One He calls Son.

As I leave you on this day, I remind you, human respect must constantly be observed for other human beings, because if it is not, it would be impossible to respect what you cannot see, you cannot feel, you cannot hear. ***Logic shouts out: Human life has a Purpose and Responsibilities. Abide by them, because in each human being there is a Portion of The Creator. It is called the Soul.*** So be it.”
