

SAINT JOHN THE BAPTIST

“I am Saint John the Baptist.

The Father has given to the world a Gift of His Personal Divine Love, using one individual, one Soul, to deliver What He Wills others of all races, all colors, all creeds, to know and to be able to learn more indepthly on the importance of human life, and about the Precious Gift each human being has that is a Portion of Him for all time.

In the Blessing of a Gift such as This is, much Instruction is delivered to aid hundreds, perhaps thousands of human beings to more fully understand what a Closeness —because of their Soul — that man is to The Creator of All Things.

The Soul cannot be seen, but many times It is the Link between decisions, helping an individual choose what is pure over what is impure in actions, thoughts, words, deeds. The Soul, as a Portion of The Creator, wants the one in whom It was placed to be returned, by Name, to from Where it was to one day return, with the Soul that was assigned to it at the moment of conception.

My Words may be difficult for some to understand, but I beseech you, the Heavenly Plan is always Just, and the Heavenly Plan is Something that every age of human life should understand, because the Soul that can never be seen in the human way, is a Portion of The Creator and desires to be returned to Him when He decides the time to be, and also the way.

I could speak endlessly on this subject, but it is difficult for

some to read lengthy Lessons on such Important Things.

As I leave you, I bless you with The Father's Love first, with The Heavenly Mother's Love, and the Sincere Desire of All the Saints Here in the Heavens that you will make a promise to strive, in every manner of life, to one day become a Saint. So be it."
