

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JUNE 26, 2001 AT 1:00 P.M.

SAINT ROSE OF LIMA

“**I** am Saint Rose of Lima. It is a privilege to Each of Us Saints Here in the Heavens, when The Father beckons Us to speak through this Gift of His Divine Love for the Souls of millions of human beings.

It is sad for me to say there is so little conscious understanding regarding the importance of human life. Men, women and children are more preoccupied with daily things and familiar communications, thus ignoring the value of the communications — are they moral or immoral, do they please The Father or are they pleasing to the enemy?

The Soul is a Portion of human life that cannot be seen, but if thought about, something within the human mind understands It to be, because it is logic to know right from wrong, good from evil, truth from untruths, and also purity over impurity of the mind and the body, in actions, in thoughts, in speech, and in what an individual partakes in with another individual.

There is so much that has been taught, encouraging more understanding of the Importance of the Soul that each human being is the custodian of. We hear so many say: ‘I cannot feel It. Is it my conscience? What part of me tells me of Its Presence?’ The answer to that is easy — knowing what is right over what is wrong, what would be pleasing to The Father and what would not be pleasing to The Father, what is moral over what is immoral, what is just over what is unjust, what is truth over what is a lie.

As I leave you, I beseech you to pass throughout the world All that has been put into script, because The Father, in His Design of this Great Gift of Divine Love, has in so many ways put into script What He Wants millions of human beings to more fully understand, that to be created in the

human way, human form, called man, is a Great Gift of Divine Love, because through this manner of living there is a Portion of Him in it that will one day be returned to Him, bearing the name of the one in whom It was placed.

I beseech you, do not forget these Words. They are a Blessing because They are Words of Fact, Truth, Love and Hope. So be it.”
