

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON AUGUST 10, 2001 AT 1:15 P.M.

SAINT ATHANASIUS

“I am Saint Athanasius.

There are many heresies throughout the world. Not all people want to recognize them, because to be obvious in what one thinks, many times causes much speech, and it leads to positives, negatives, beliefs, disbeliefs, thus causing unnecessary confusion on important subjects.

The world has been blessed by this Gift of Divine Love, because the Beloved Saint Joseph knows what is important for human life to know, to understand, to accept, to believe. That is why this Miracle bears His Name.

Today, as so Many of Us are with you, We hear you talk about things you are aware of, that occur. Many are business, many are natural occurrences, and much of it family concerns. This is normal, and this is always a pleasure for All of Us Saints Here in the Heavens to hear.

When We hear impurity on any subject, We immediately think of the Souls of those involved, because the Soul is always the victim of what an individual does, and the victim tries in some way, to alert the other one to look at what is right over what is wrong, what is pure over what is impure, but so many times the human side ignores that they are the custodian of a Portion of The Creator that is constantly aware at all times of every act, thought, word or participation, that the individual is using for some reason or other.

I speak differently today, but you must remember you live in a time where all ages of human life think according to the time, the

circumstances, and what others do, but they ignore their responsibilities, and are oftentimes caught up in what is wrong for the Soul that they are the custodian of.

As I close, I plead with you, *never let a day go by that you do not say a few words to your Soul, because your Soul is The Father's Gift to you, and That Portion of you that will return to Him at a given time.* So be it.”
