

REVELATION DELIVERED THROUGH FRANCES M. KLUG

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

There are many unjust judgments being made by all degrees of men and women, regarding this Gift of The Father’s Love. It is important that Everything that has been delivered through this Gift be scattered throughout the world. Nothing must stop It.

Oftentimes We hear an individual say, ‘Please help me, Father, I want to accomplish certain things.’ Sometimes the individual never follows up in asserting any help to their own request, but I assure you that when We Here in the Heavens make a request, Everyone Here helps in some form, some way, using the power of individuals, the intellect of individuals who are yet living, so that The Father’s Will will be accomplished His Way.

Many human beings request in print, what they will others to accomplish or be responsible for. ***The Father, in His Love for human life, has instructed All of the Heavens to dictate openly so the Words would be heard, and then put into print so millions more could read Them, and understand what a treasured gift human life is to man.***

So many men, women and children take every day for granted, never wondering if they accomplished one act to please The Creator Who gave them the day. Children are not being instructed properly on the importance of human life, or the Goal for which it was created, and yet there is a constant manner of speaking, telling children to accomplish things that are humanistic or monetary.

It is important that human life be seen for the Gift of Divine Love

that it was created For, In, With, By, because human life is the Greatest Gift a human being can be proud of. It has a Goal, it has a Purpose, it has a Soul that is a Portion of The Creator, that nothing else has. ***The Soul is What will live on forever, bearing the name of the one in whom It was placed.***

Rarely are children instructed on that Portion of them, that Part of them that is a Connecting Link every moment of every day, since the moment of their conception, and that is called a Soul.

There are so many beautiful ways to handle the situation in enlightening children on how important human life is, and the beauty of its communication with The Creator of All Things.

As I leave you, I must add these Words: ***The Goal of Sainthood is worth every effort an individual can make to please The Father, because Sainthood is Truly a Gift of Divine Love.*** So be it.”
