

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON OCTOBER 23, 2001 AT 11:54 A.M.

GOD THE FATHER

“A child of years, who is entitled to shed tears, because of the lonesomeness of her way of life — it is not possible for others to see the indepthness of responsibilities that she is confronted with each day of every year.

She calls My Name. I answer her, but not in the way that gives her a consoling feeling of understanding.

She looks like all other people, acts in many ways like all others, but is burdened with multiple responsibilities. These responsibilities are for the Souls of millions of human beings. No human mind or body could perceive the weight of this burden.

Time will give the world the chance to one day hear about this Gift of My Divine Love and how much I truly love mankind.

Prayers to Me are important. It is this communication that binds Us together. Remember, I created you for a reason. I want the Purpose to be fulfilled according to My Will, because each human being is gifted with a Portion of Me — never seen, never heard, but obviously Present in every move, every word, every act the mind and body make or partake in.

As I close My Words, I leave you with My Love, but also, hopefully, with the desire to do My Will and one day return to Me that Portion of Me you are gifted with, known as the ‘Soul’.”
