

GOD THE FATHER

“I am your Heavenly Father. I smile at the child’s remark that, ‘So Many are here, I do not know which One will speak.’ My Presence oftentimes makes her feel this way, because of the fact that so Many Saints Here in the Heavens surround Me, in many ways.

It is sadness for Me to say what I am about to say. Too few of all ages — men, women and children — are responding to this Gift of My Divine Love, rejecting understanding It; in other words, rejecting My Gift of My Way, My Hope, My Instruction, My Presence, because they are so in doubt that I would come to the world at this time, in the way I am reaching human life through one voice, a quiet voice; also, that I have permitted, also requested, Many Saints Here with Me to speak Words understandable to the human mind, so that all ages of human life would understand that they were born for a Purpose, a Goal, and that they have within them a Portion of Me, called the ‘Soul’.

Children are not being instructed properly on the importance of human life, and that it is the only living matter that is so Closely Connected to Me. I know it is difficult for the Full Understanding of What I Am, that I have Created All Things, but the lack of understanding is because human life is gifted with a certain form of understanding, and also a degree of being able to comprehend the Magnitude of The Divine that is logically present, but cannot be seen by the naked eye of human life.

Blessings have been many through this Gift of My Divine Love. I take none of Them back, in fact I increase Them, because each human being has within them a Portion of Me called the ‘Soul’.

There is so little being instructed by those who have studied Bible History.

It is sad for Me to say that interpretation can be detrimental to Fact, and the Value of Important Messages that have been revealed over the years for a very long time. No human being has the innate understanding of the Full Importance of the design of human life, the creation of human life, and I have allowed only a portion of it to be released.

As I close My Words, remember, I am always with you, always aware of how you think, what you are doing, because the Soul, as a Portion of Me, is never a great distance from Me. It is Closer than you can possibly think.

As I close My Words at this time, I beseech all who read these Words to keep in mind at all times that human life is a Gift of My Divine Love, because I want to share so much with the Soul that you are the custodian of, that represents you to Me, giving Us a Close Association, not just for now, but Forever.

Though this statement may be difficult for even some theologians to fully comprehend, I know that My Existence is a Mystery, but It is a Mystery of My Divine Love, because of What I Am, Who I Am. I beseech you to remember this.”
