

GOD THE FATHER

“I am your Heavenly Father.

It is so beautiful to see so Many Saints Here in the Heavens willing and anxious to speak Words of Encouragement, Direction, Love and Hope, for those who are yet to be judged for how they lived in the physical world.

You live in a time difficult in many ways, because there are so many areas in which the enemy has entered, and is using many devices to encourage wrongdoing, harm, and rejection of what will make you a Saint.

Sainthood is a Reality for the Souls to be returned to Me. There is so much Love Here in the Heavens, and in your human way you cannot realize how Many Saints enter your lives every day in Their own way, helping you to seek what is pleasing to Me, because of That Portion that is within you. They want It to become a Saint.

The little voice that is used cannot hear Me in a manner you understand hearing to be. The ‘implantation’ of All that is passed in her, and through her, is a Miracle of My Divine Love, for the Soul that you are the custodian of, and I want returned to Me a Saint.

I speak a little differently today, because the little one through whom I speak, and All Others speak, is physically exhausted, in terminology you understand.

The world has been blessed by Me. I created man.

Today is an important day for each one who hears My Words, and it is up to you to pass My Words on, to awaken the mentality of others who do not have the privilege to hear What is spoken.

As I leave you, I beseech you to carry on in seeing that All that has been given thus far will reach many thousands of individuals throughout the world. Do not worry about the language barrier; We will help them in Our Way. The translation sometimes will be difficult for them, but they will always be left with Hope, and a Degree of Love that they will feel, perhaps more than understand.

As I leave you, it is only My Voice that leaves you, because I am forever with you through That Portion of you; you call It a Soul. It is a Portion of Me that no human being is conceived without, born without, or lives without.

As I close My Words, I bless you with The Father's Love, but I want you to remember that you have the ability to pray, to speak, and to talk in a personal way to All the Saints Here in the Heavens that one time walked the human way."
