

OUR HEAVENLY FATHER

“I am your Heavenly Father. I am The Creator, I Am The One Who will Judge you — your Soul — at a given time.

I created human life for a Great Purpose. I gave to human life portions of being able to be likened to Me in some ways — the ability to think, to have a memory, and to do many other things.

As I have blessed so many individuals through time, I have blessed the whole world this time, with My Will for Many Saints Here with Me to speak, leave Words of Guidance, Hope, to be cherished, helping human life fully understand the importance of being made man, but also, that there is a Goal for the Soul of human life that nothing else possesses, nothing else can have.

The Soul is That Portion to be returned to Where I Am, the Heavenly Way of Living in My Divine Plan.

I could speak hours on My Love for human life, and the importance for which I created it, but today I will shorten My Words, because of the ‘preparation’ I have just allowed to be on this little instrument of Mine, to be able to give more strength to more men, women and children at given times.

My Statement will be difficult for many to understand, but the little one through whom I pass so much through, is aware of the Purpose, the Reason for this ‘preparation’ she must endure.

Be example to all you meet, be example to all you love,

because in doing this the Soul is the recipient, even when the physical appears as though nothing occurred, nothing was said.

I beseech you to remember that human life has a Goal. It is worth everything you do to give hope, and to show the importance of human life, and that you believe that a Portion of yourself, and others, will one day return to Me and be called Saints.

Remember, your life has a Goal, and also remember, It Is Sainthood For Your Soul. So be it.”
