

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 14, 2001 AT 12:30 P.M.

SAINT ATHANASIUS

“I am Saint Athanasius.

There are many heresies being practiced in all parts of the world. Many so-called learned men and women are attracted to heresies because they feel it expands their thinking in areas they would not have thought advisable at another time.

Children are not being instructed on the basics of what is moral, what is immoral, what is just, what is unjust; thus, this type of teaching or lack of teaching can allow little understanding of what is moral, what is immoral.

Few individuals ever think of the Soul they are the custodian of. To some It's a myth. To some It's imagination. To some It is something that was talked about in the early years. But I assure you, human beings were gifted with a Soul, a Portion of The Creator; difficult for some to understand, but it is logical for an individual to realize evidence of all that has been created, no human being could do.

So then, this Gift of The Father's Love, this Miracle that instructs on so many subjects, for the purpose of the Souls of millions of human beings, must be seen for the Truths that pour forth from It and the Instructions that are constant, even in what is called natural speech.

As I leave you, those who are taking My Words in print, I beseech you to see that the whole world receives All that The Father has directed and allowed to be delivered, because of the importance of human life and that Portion of Him that is within it. So be it.”
