

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 15, 2001 AT 12:48 P.M.

SAINT CATHERINE OF SIENA

I am Saint Catherine of Siena. There are Many of Us present as We have All gathered to speak on a subject or subjects to give strength morally, mentally, physically, psychologically, to all degrees of intellects who will read the Words, or be told verbally What was spoken by Us at a specific time.

We are gathered in a Group, and Each of Us smiles as the little one through whom We speak, searches for Our Faces which she cannot see. Her next statement to Us is a joy to Us, beyond what a human being will understand this joy to be. She says, 'I must be seeing Your Souls, so Your Souls are speaking to me.'

The Father, in His Love for this creation, human life, has instilled in it so many ways to understand what is right, what is wrong; also, the need for a desire to be happy over sadness, because sadness is difficult to handle emotionally, mentally, psychologically and physically.

The little one is staring at Us. What she sees is a fraction of what We truly look like.

We have come to request that no area throughout the world is this Gift of Divine Love not to be seen, spoken about, making excuses for the language barrier.

She stares at All of Us, and talks to Us with her mind. We smile at this, because her mental communication with Us is understandable to Us.

This is important for you to understand — those who read

These Words — because oftentimes there is much more communication with All of Us Here in the Heavens, due to the mental communication that is available in thoughts regarding many issues, many facts, many ideas, that no one present on the earth can hear or sense in the reality it is occurring.

So many times men, women and children ignore the privilege they have of personal communication through their thoughts, their ideas, that they do not want to openly speak out so others hear.

We hold the little one tightly, and she is aware of a 'preparation' that has been occurring for some time now within her being.

Human life was created, and is created, to be accountable for a Portion of this privilege. It is called the 'Soul'. Think of it in this way: No one — man, woman or child — enjoys illness. It affects their whole being mentally, physically, emotionally, and all the senses of their body, their mind.

Ask yourself how many times you have said, 'When I get to church,' or 'When I get home,' or perhaps some other place, you connect prayer at a specific time. Perhaps at the moment you are thinking about this, you do not feel that it is the time to say what you want to say, because it is innate in you to feel that your communication with The Divine is separate and separated from your close association to other human beings.

There is no time that you are without a Closeness to Every Saint Here in the Heavens. Your Soul is the Communicator, and then your mind.

What I have spoken is different, but oh so logical. It is important that all of human life understand they are never a distance

too great to talk to Anyone. ***The Father Wills the Communication to be understood, that All of Heaven is available every moment of every day, and whether you are in a crowded room, or on a form of transportation that a lot of sound is coming from, it will never interfere with your Soul's Association, Closeness to The Divine.***

Children should be taught What I have just spoken, because sometimes all ages of human life feel the need to be in a special place to communicate their inner thoughts, their needs, their love, their hopes, their wishes. Do not forget, at the moment of conception, each human being is blessed with a Connecting Link to The Divine.

As I leave you, I want you to understand that you have been blessed in so many ways, to give you the strength for your own Soul, and to be example to other human beings so they will learn the practicality, the logic in the Gift of Divine Love, to be able to communicate momentarily at any given time.

As I leave you, I bless you with the strength to understand, ***human life has a Goal based on Divine Plan.***
So be it for now.”
