

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON DECEMBER 3, 2001 AT 1:01 P.M.

## SAINT MARGARET MARY ALACOQUE

**I** am Saint Margaret Mary Alacoque. As The Father has directed me to speak at this time, I thank Him for the privilege to be able to represent The Divine.

**T**here are so many Blessings that human life does not see, feel, or understand. It is sad for All of Us Saints when We see So Much Divine Love every moment of every day, and those who are yet in the state of human life are not aware.

***Today as I speak, it is to encourage more love for The Holy Trinity, more respect for The Divine, and more understanding that there is a Goal to life beyond what the human mind could understand.***

**A**s I speak the Words I am speaking, I want you to understand that it is a privilege for All the Saints Here in the Heavens to be able to communicate with human beings through this Special Gift of The Father's Love for His creation, human life, from Above.

**S**o many men, women and children ignore the beauty of what human life is, and was, created for. They take and use each day in a manner and way that it was not designed for.

**T**oday as I speak through one small voice, I request with Deep Divine Love that All that has been delivered through this Gift The Father has so Generously given, to help all of human life to more fully understand, to better understand, to logically understand, that to walk in the human way is Part of Divine Plan, because each human being is Gifted with a Soul, a Portion of The Creator. If this were not so, human life would not have all the abilities that it has

been endowed with, to help all ages understand there has to be a Goal for being created as man.

**W**e see so many men, women and children ignore the Purpose for their lives. They cater to all that is immoral, impure, unclean, because they want only to feel they are satisfying the human being.

***As I close My Words today, I beseech you to look at each day as a step closer to being blessed with The Father's Love for the Soul that is a Portion of Him that you are Gifted with, because this Gift of His Divine Love within you, is to give you the strength, the courage, the ability, the love to return to Him What is rightly His.***

**S**o many of Us Saints are eager to speak through this Gift of Divine Love because, do not forget, it is Our Souls that Speak, not the physical way We lived, but That Portion of the One Who created all things is used in a manner, way, degree, to help millions of Souls be returned to Him from Where They came, to give human life a Special Gift that nothing else has.

**A**s I close My Words, I beseech you to read Them in the Full Measure They are meant, because All that has been delivered for some time now, is a Gift of Divine Love that ***nothing*** can compare to.”
