

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON DECEMBER 13, 2001 AT 12:58 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I am Saint Joseph. This Gift of The Father’s Love is Far Greater than any human being can comprehend It to be, because It is a Gift of Instruction, of Direction, Hope, and Much Love.

The small voice that is used to speak the Words He Declares for millions of men, women and children to one day read, must never be cast aside, because All that has been delivered is strength to every human being, and It will be strength for those to come at a later time.

Children are not being instructed on The Divine. Throughout the world there is so much irresponsibility in the importance of human life, and the Goal that it was created to one day reach. So-called ‘highly learned’ individuals of all backgrounds, many times find more strength, more interest in subjects that have no connection to how they should live, and the Goal they should try to reach at another time.

Humanism is a word meant to express a certain creation of human life, or I should say of a living matter or thing. Animals do not have Souls, the fish do not have Souls, only human life is the custodian of a Soul.

Today is another day in the life of all who live at this time, but so little thought is given on the time when human life will not be in the state it is today.

The world has been Blessed by a Gift Greater than men, women or children can comprehend It to be.

Many years ago, men were chosen to learn from The Son of The Creator, many important issues regarding human life. The ones close to Him are names to be remembered, but all that was to be learned was not only at that time, because every period of time since then has been given in some form, through someone chosen to express more understanding of The Father's Will, Love, Intentions for human beings, because of the Soul they are the custodian of individually.

I could speak hours on this subject, but it would be too much for some to be able to fully understand, because oftentimes the written word does not register in the minds of all who read it. They just skim over the meaning within it. That is why So Much has been delivered through this Gift of The Father's Love, all because there are so many who will gain Hope, Grace, and much Direction in how much of It they understand, and the reality of why they were born in the human way, thus giving them a Goal to reach one day.

This should not be difficult to understand, because in so many ways in the human plan, men, women and even children strive for success. They know it is available, and they also know that it gives them accomplishment for the physical and the mental, and sometimes for the monetary. That is why it is so important that all degrees of human life, all backgrounds, learn to understand that human life was not created for just a period of time, but that a Portion of it was to be returned to The Father, because He created human life for a Reason, a Purpose, a Goal that no other matter or living thing is the custodian of.

This Gift of Divine Love, bearing the Name of The Beloved Saint Joseph, is openly a Gift of Greatness, of understanding more about one's life, and the Purpose for which it was given.

As I leave you, I leave you with much hope that all who read these Words will see the Value of Them, the Truth in Them, the Hope in Them, and The Divine Love that shows in telling It in such Clear Statement, so everyone will understand more clearly that they were created as man, for an Ultimate Goal.”
