

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON DECEMBER 28, 2001 AT 1:30 P.M.

SAINT ATHANASIUS

I am Saint Athanasius. We All smile when the little instrument of The Father's Love feels Our Presence and waits for One of Us to deliver ***Words of Direction, of Caring, of Love, from The Divine.***

Children are not being instructed on the importance of prayer or sound reasoning regarding All that is spiritually helpful, and ready to hear from all human beings of all ages.

The world is saturated with so much demonic ugliness, but it is never equal to the Degree of Divine Love that is available for all of human life.

In so many places, so much is accepted that is not helpful to the mental or the physical welfare of all degrees of human beings, thus making some areas of life vulnerable to weakness that should not be acceptable to any age, any background of life.

So many Saints Here in the Heavens would talk constantly through this Gift of The Father's Love because of the Importance of the Souls of all human beings, no matter where they are from, or to what degree of knowledge they are gifted with. Knowledge, in many areas, has a Blessing to it when it is handled in the proper way, but Faith in The Creator of All Things is more logical than many men, women and children understand it to be.

You do live in a time worse than many other times in the history of human life. That is why it is so important that All that has been delivered through this Gift of Divine Love, be spread into lands throughout the world, even when it is suspected or known that there is a language barrier that does not reveal itself in the full meaning It

was spoken at a given time.

Feature it like this: *Even if an individual held a Crucifix with no understanding as to what It was all about, the individual would feel ‘something’, because The Father, in His Love for human life, would give His Touch of Divine Love to the Object and to the individual, helping them to know that What they were holding had a Purpose, a Reason, and had to be formed for a particular Goal.*

So many men, women and children try to ignore All that is given to help them more fully understand that *human life has a Goal, not always called ‘Heaven’, but there is a Goal to be returned to The Father because of an individual’s Soul, that is a Portion of The Creator, that He will return to Himself through a means and a manner that He first gave It, unknown by mankind, but definitely through Divine Will and Way.”*
