

OUR HEAVENLY MOTHER

“I am your Heavenly Mother.

Throughout the world there is much laxness in prayer, in dedication to what is morally sound, correct, pure. There are many men, women and children who are in desperate need of this Gift of The Father’s Love, because this Gift is for all intentions, understanding, ideas, values, thoughts, and definitely for how an individual converses with others, and the importance of the subjects that they choose to speak on.

There is so little attention paid to what is morally sound. Conversations ramble on, uttering obscenities, referring it to knowledgeable on the updating of human life. It is important that all men, women and children understand that human life is gifted with what is correct, what is moral, what is right for the mind to partake in, because everything an individual speaks, practices, partakes in, is automatically recorded in the Soul.

This Gift The Father has given to the world, bearing the Name of The Beloved Saint Joseph, is a Gift of Purity, and the Purpose for this Gift is to awaken the minds of all human beings that there is a Goal to life, not physical, not mental, but Higher than these things, and that is to return the Soul to The Father, Pure in All Ways, because The Soul, as a Portion of The Creator, must be Pure before It can enter through what mankind calls ‘*The Gates of Heaven*’.

As I speak, there are thousands, if not millions of all ages of human life, in sinful actions at this time, ignoring what is morally sound, pure, just, right, never thinking of the Soul that

they are Gifted with, that will one day be judged, because the Soul is the Remaining Portion of human life that The Father wants to be returned to Him a Saint.

Becoming a Saint is not impossible; it is extremely possible, because through the Commandments given a long time ago, The Father laid the Outline for how human beings of all ages should control themselves, and feel, see, understand, that the Rules were given because of the innate Love The Creator had for man.

Needless to say, hours could be spent on this subject, but What I have just spoken is to be passed to an unlimited amount of individuals, who need to think about this to help them better understand that they have a Goal to reach; it's called '*success as man*', but then through this '*success*', The Father once again is the Custodian of the Soul, which is His Plan. **So be it."**
