

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON FEBRUARY 1, 2002 AT 1:03 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

Each time the world of human life becomes so degrading in morals, values, intentions, understanding of why they were created, ***The Father’s Will comes forth through some individual, The Father using a force not understandable to human life, but able for human life to handle.***

The world you live in is truly worse than the time so oftenly spoken about as *Sodom and Gomorrah*. These Words are spoken in a light manner. They should be spoken in a very forceful way.

Children are not being instructed on the full meaning of the Commandments of The Creator, because the Commandments have been diminished into such a concise format, supposedly making them easier to learn, but in truth this was only an excuse by many who partook in this project.

Most children are more alert to what is morally good than they are given credit for, but if they are in the company of those who speak, supposedly, in a more educated way, it makes things sound so practical and natural to the human determinations of their meaning. Children are being subjected every day to immorality in an in-depth form that is not seen as being vile to the Souls of all who partake in it, or who demonstrate through their actions, their so-called freedom to do what they will, they wish to do.

So Many Saints Here in the Heavens find this time in which you live *a time of evil interpretation*, thus causing much injustice to the Souls of millions of human beings. We hear some say, ‘A picture is

worth a thousand words.' All of Us Here in the Heavens question this remark, because it means so little and yet it causes many to think impurely in many ways.

The Father, in giving to the world this Blessing that is so obviously a Blessing, because of All that is delivered, enlightening human minds to the importance of being a human being, and the responsibilities that are important for the whole way of life, for the Goal intended for the Soul that is to one day return to The Father, The Creator, The Giver of life, bearing the Name 'Saint'.

As I close My Words, I close Them with a firmness with which I spoke. Human beings of all ages must stop ignoring the Gift of human life, for the Perfect Goal The Father Intended for the Soul of every human life, and that was to return to Him in Glory, bearing the Name 'Saint'."
