

SAINT BERNADETTE

“I am Saint Bernadette.

There are so few books being read reminding men, women and children of the Importance of Sainthood.

You live in a world of little discipline, and little understanding of what is sound morally, what is acceptable morally. All ages have succumbed to being active in what they feel pleases them at the moment; very little discernment on what the action will cause them to do if it becomes improper, impure, at a particular time.

If you were to ask one hundred people at this moment, strangers that is, if they could tell you what the Commandments of The Creator were all about, you would find much injustice in their response, even some vulgarity.

So many people of all ages, all backgrounds have adjusted to what is acceptable, rather than what is morally sound and correct. Excuses have multiplied in so many ways. Some individuals have an improper idea of what happiness is, what morality is, and what life was created for. Humanism is based on what is pleasing for the moment, or how an individual physically feels.

So many Saints have spoken through this Gift of The Father's Love for human life. There is nothing or no one throughout the world, that all ages have not been given the in-depth meaning of why they were created, and what The Father expects of them.

So many men, even some women, feel they have the intellect to be judgmental on what is moral, what is immoral. Basically it is mostly their opinion, and this opinion could be based on their own laxness in obedience to the Commandments The Father gave for all of mankind to have the Rules to live by.

WHEN THE COMMANDMENTS WERE FIRST DELIVERED, THEY WERE NOT IN THE CONCISE MANNER THEY ARE LEARNED AT THIS TIME. WHEN THEY WERE DELIVERED, EVERY FACET OF LIFE WAS INCLUDED IN WHAT WAS MORALLY RIGHT, PURE, SOUND, CORRECT, AND IT IS SAD FOR ME TO SAY THAT TIME HAS ERASED THE FULL MEASURE OF WHAT THE COMMANDMENTS ARE ALL ABOUT.

Needless to say, volumes could be written on not just the Beauty of the Commandments, but the necessity for them to be understood. Many Souls have suffered, because the ones in whom They were placed ignored even the conciseness of the Commandments, thus being too eager to look indepthly in their action, their thoughts, and their association with other human beings.

Hundreds of books could be written on the full meaning of the Commandments that were given to assure human beings of all degrees of life, of mentality, that the Rules The Creator gave were of Great Importance to every facet of life. When We hear an individual say, 'I feel I am living a good life,' many times the individual is innately accepting many immoral weaknesses.

THE FATHER HAS GIVEN TO THE WORLD A MIRACLE OF INSTRUCTION THAT MUST NEVER BE SET ASIDE. EVERY VOLUME THAT A SAINT SPEAKS IN GIVES STRENGTH, WHETHER IT IS FELT IMMEDIATELY OR NOT, BUT THE SOUND FACTS IN WHAT IS SPOKEN TO BE READ AND FOLLOWED, ARE

SO OBVIOUSLY LOGICAL, FACTUAL, AND HAVE A DIRECTIVE IN THEM FOR ALL DEGREES OF INTELLECT, ALL AGES OF MEN, WOMEN AND CHILDREN AND, YES, ALL THE DIFFERENT SO-CALLED FAITHS IN THE CREATOR THAT WERE ADOPTED BY SOME INDIVIDUAL, FEELING HE OR EVEN SHE, HAD THE POWER, THE KNOWLEDGE, THE ABILITY, TO INSTRUCT ON WHAT IS CORRECT IN HUMAN BEHAVIOR, FOR THE GOOD OF ONE'S SOUL.

As I close My Words, I must add one statement. Never think you are alone, you are not. Your Soul is ever present wherever you are, whatever you are doing, even when you are sleeping.”
