

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON MARCH 27, 2002 AT 12:20 P.M.

SAINT PEREGRINE

**I** am Saint Peregrine.

**Y**ou live in a time of much sorrow to The Father, because there is so much diabolical acceptance in so many areas of human decisions.

**T**oday as I speak, I speak with deep love for human life; also, deep understanding of what an individual can be faced with that can be detrimental to the Soul. So many times it is difficult for individuals who believe in The Creator, believe in God, yet find it difficult to be morally sound, pure in their conduct, their actions, their abilities, and even the times they call pleasure times.

**T**oday as I speak, I speak with great respect for human life, ***because it is through human life that the Soul can become a Saint.*** So much emphasis is put on humanism, but ignoring what the Gift of humanism was created for.

**I** will not speak long today, but hopefully My Words will travel where They are needed, because there are so many men, women and children who, in their prayers, ask The Father to send them a Message to help them more fully understand what pleases Him, and what they can do to change their ways, to return to Him a Saint.

***As I close My Words, I have one more thing to say:  
'Remember to ask The Father every day, many times every day,  
to remind you that there is a Goal for human life, and that is to  
become a Saint.'***
