

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MAY 1, 2002 AT 12:52 P.M.

SAINT JOHN OF THE CROSS

“I am Saint John of The Cross.

My first Words are: All that has been delivered verbally through hundreds of years, have recently been ignored, deleted, erased, forgotten, and yet so many things have been remembered, foolish things, sinful things, and things that would only please the enemy of God and man.

You live in a time of much confusion, based on misinterpretation, self-love, and ignorance to what is valuable to the whole being of human life. To put all these things into script brings them to a point of understanding, but I ask you, ‘How many individuals reading them would want to see the full meaning in reference to how they live?’

There is a Hell, it exists. There is a Purgatory, it exists. There is a Heaven, It Exists. But so few human beings of all ages want to accept Truth as The Father Wills it to be accepted.

Men, women and children enjoy what is feasible, pleasing to how they live, most always ignoring, does it please The Father, and is it an aid to the Soul that exists within them, or is it just an act of humanism acceptable in a degree they understand humanism to be, something personal in the human way, not detrimental to The Father’s Will in any way.

Let us imagine now, that the only things in existence that human beings were aware of would be what they wear, what they see, what they have, what they’re surrounded by; and then a time comes and illness strikes, what changes does an individual think of

then? It is sadness to me to say the next Words: *Some act as though they don't care.* This of course, is based on the will of the enemy of God and man, ***because the enemy does not want Souls to be returned to The Creator in Glory, in Love, as The Father has it Planned.***

My next Words I could shout beyond what you know sound to be: ***I beseech all human beings of all ages to see the Purpose for which human life was created, plus all the gifts that human life has been endowed with to make living enjoyable, and giving it the responsibility of a Goal to reach.***

As I close My Words at this time, I beseech all who are responsible for All that has been delivered through this Gift of The Father's Love, see that everything reaches millions of human beings with the Instructions, with the Directions, and with the Beauty of being created a human being.

Children are not being instructed on the foundation of life. So much is allowed that should not be; so many excuses in vulnerability, instead of strength for the Purpose for which human life was created. ***No one should forget that human life has a Goal, and within human life there is a Portion of The Creator that nothing else is the custodian of.*** The name of this ***Gift*** is simple to say. It's called the ***Soul.***"
