

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MAY 6, 2002 AT 12:45 P.M.

SAINT TERESA OF AVILA

“I am Saint Teresa of Avila. I have not spoken openly much through this Beautiful Gift of The Father’s Love, but as I speak today, My Words are Words of love for human life.

As it has so often been said through this Gift of The Father’s Love, ‘You live in a time worse than Sodom and Gomorrah.’ To so many hearing these words, it means nothing. They treat it as though it is a thing of the past, but as I speak to you on this day in your time, the past has a way of repeating itself, many times in an uglier form, in a greater degree of sinfulness.

Children are not being instructed properly. To so many adults, they feel it is not necessary because the little ones will learn from others they deal with, thus ignoring the Importance of the Souls involved.

As this Gift of Divine Love, this Miracle that bears the Name of The Beloved Saint Joseph, is seen by thousands and thousands and thousands of men, women, and even children, they do not see the Words that are designed to make them think, to more fully understand, and to be prepared to accept purity over impurity, love over lust and hate; but pure love, the type of love that, if The Father were standing with them, they would feel radiate with goodness, hope, and a Future that would be beautiful to have.

We hear so many individuals openly say: ‘How do I know I have a **Portion of God** within me called the **Soul**? I don’t feel It. I feel only what I think, I do, and the sensitivities of my human body do not reflect a Divine Encounter to make me think that what I should be thinking, doing, practicing, is truly God’s Will. My senses are all I know, and my mentality is adjusted to what I have learned,

what I am presently learning, and what I desire to learn about, but there is nothing obvious to make me want to say, "I want nothing but purity for my will, my speech, my actions, my associations with others, in a way that I can feel it, understand it, and want change."

Children are not being instructed on all the acts, actions, associations that they must face, because they are human beings. It is not just laziness on the part of those in charge of these children, but it is indifference and personal opinion on what the child or children could respond to in its full measure.

A decision of this kind is sinful in itself, because of the lack of caring for another human being's Soul, and the necessity for that human being to be able to more fully understand that ***human life was created by Divine Plan, thus giving to human life a Goal beyond what the human mind can understand, but innately, every human being looks for what they call a goal to reach, of the highest measure, filled with Divine Love.***

Many times We Saints Here in the Heavens plead with The Father, to awaken the minds of all ages of human life, to see that there is a Goal for a Portion of them that is Greater than the physical that exists, that they know.

So much Divine Love has been openly spoken for a long time through one voice, on the Love that The Father shows in the birth of a child, because within it He places a Portion of Himself, commonly called a 'Soul'.

As I close My Words, I close Them with deep love for human life, but also, to remind all who read these Words that All that has been delivered through this Gift of The Father's Love, never be held back, cast aside, but be spread throughout the world, no matter what language that others have."
