## SAINT ATHANASIUS

**“I am Saint Athanasius.**

**You live in a time in which many heresies are practiced, but they are never recognized as heresies, only facts of life, human understanding.**

**Today as I speak, I speak with Deep Love for all that are now living, and all who are yet to be born. The time must come when there is more understanding on Who The Father Is Who Created All Things.**

**The interpretation of the Bible is incorrect in most ways. It is only determined on the opinions of those who translate the words that were delivered in other days.**

**We hear so many say: ‘I understand we live in a time worse than Sodom and Gomorrah, but what I have read, it does not sound this way to me. The vile actions of Sodom and Gomorrah were more openly expressed, practiced, and they were not dealt with in a moral code of thinking. They were not criticized.’**

**The Words I speak are Important Words. There are so many things throughout the world; the decisions are being openly expressed regarding the justification of them, the rationalization of them. The list of words is endless.**

**It is important that men, women and children, in all areas throughout the world, begin to see the Importance of being a human being, and it is the only creation that has a Goal that is Special, that is Important, and that is Ultimate, and of course, it is for the Souls of all living human beings. Compare it to wanting to please someone in the family, or someone you know that you like, you feel good with, and you feel that their morals are clean; then, do you not want to be with this person more than others you know?**

**Today in the time in which you live, morality is not looked at in its full scope. Morality, in so many ways, is a thing of the past, and excuses are made called ‘modernization of the human gifts’.**

**I will close quickly, because thousands and thousands and thousands of words could be dictated on the conditions of what mankind calls ‘modern day living’, but as I close My Words I say, ‘Always remember, the Greatest Gift The Father gave to the world was a long time ago, when He put a Portion of Himself amidst mankind, showing the Importance of human life, and sometimes the sacrifices that have to be made for the good of Souls.’”**
