

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON AUGUST 9, 2002 AT 12:18 P.M.

SAINT ROBERT BELLARMINE

I am Saint Robert Bellarmine.

Each time The Father requests One of Us to speak, We immediately thank Him for the privilege, ***because it is so important for human beings of all ages to learn to know about the Closeness they are to The Divine, via their Soul that is a Portion of The Creator.***

I smile when I use the word 'via', but one day when someone reads these Words, that Word will draw their attention, because it is a word they enjoy using.

Through this Gift of Divine Love that The Father has so generously given at this time, is a Blessing beyond human understanding, and it is a Rare Gift of Divine Love.

You live in a time in which there is little understanding of the importance of human life, and that it truly has a future for a Portion of it that nothing else created has the privilege to have. Granted, you cannot see It, but you innately know It's there, else you would not have the ability of judgment of purity over impurity, justice over injustice, love over hate.

Human life, when it was created, was created for a Special Reason, Goal. It is a privilege to be a human being. Hopefully, these Words will make some who read Them more grateful for being a human being than they ever thought of before.

At this time The Father has given so much Information,

Direction, Hope, and Divine Love, through a Miracle that bears the Name of The Beloved Saint Joseph. It is a Miracle that will go on for perpetuity, because so much has been delivered through It, Instructing in many ways the Importance of The Divine, and the Closeness human life is connected to The Divine, through that Portion of them called the Soul.

I could speak hours on this subject, but The Father Wills that the Words not be too long, so that reading Them, individuals of all degrees of intellect will see the Strength in the Words, the Importance in the Words, and the Divine Love that only The Creator could give to human life.

As I close My Words I say, 'Ask The Father's Blessing every day. He is constantly aware of everything you do and say.'
