

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON AUGUST 28, 2002 AT 12:28 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

You live in a time wherein there are many diabolical practices causing indifference to what is right over what is wrong, pure over impurities.

Children are being neglected in being instructed on the importance of purity in how they think, what they do, what they become involved in. Some adults, that is the older gender of human life, many times innately feel that the young cannot fully understand or even should be told about morbid situations, or impure practices of the human body.

Granting, these subjects are difficult to speak about, but it can and could be handled in not just a practical way, but a manner of discussion with dignity, assurance, instructing the young so they will not become prey to those who have the ability to speak, act, and cause wrong thinking, actions, ideas and values.

I speak differently, I know, and the Words I have used might be embarrassing to some, but oftentimes it is necessary to speak in a manner to draw attention to the importance of the subject matter that is important for not just the body, but the Soul.

As I close, I will remember my time with you today because, do not forget, as The Father allows All of Us to speak, the subjects *He chooses* are for the good of Souls.”
