

REVELATION DELIVERED THROUGH FRANCES M. KLUG

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

Hypocrisy is prevalent throughout the world. So many individuals practice it, feeling that it makes what they speak important to others, thus not realizing that what they speak could be damaging to those who listen, or take the words as serious, as important.

Throughout the world, there are many degrees of hypocrisy, and one would be shocked at how many ages practice it to gain attention, acclaim, or some form of monetary measure.

In this Gift that instructs on so many issues, practices, values, all Subjects enter into the Content in a very practical, acceptable manner, easy for all ages of mentalities to understand that a point of concern could mean them, to help them change their ways, their morals, or their living conditions with other human beings.

I could speak hours on this subject, because of its importance for not just the minds of human beings, or the Souls of human beings, but for the effect they have on others that could be detrimental to others, morally, mentally, psychologically.

All the Saints Here in the Heavens use this Gift of The Father's Love, not always mentioning Their Names, but oftentimes in mere speech, subject matter, They allow What They know to be good to be brought up as a subject, so others will see the subject, and if necessary, use it to change their way of thinking, or their manner of doing things.

As I close My Words, I end Them on a very Important Statement: ***Never let a day go by that you do not allow yourself to address all subjects, all things you do, in a moral way, because you are responsible to The Creator for everything you do, and everything you say.***"
