

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON FEBRUARY 19, 2003 AT 12:53 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori.

When The Father chooses One of Us to speak so Our Words will be put into script, it is a pleasure, a privilege, beyond what I can say at this time.

The world has been blessed with a Miracle of Greatness, ***because it is The Father Who Directs All Things through this Gift of His that bears the Name of The Beloved One, Saint Joseph.*** For a period of time, so many individuals ignored the Name of the Saint that was so close to The Divine, openly giving Direction, Hope, Love.

Today is a very important day, because this Gift has been blessed abundantly through the will of one human being. It is not easy to serve in any place, case, situation, area of human life, but to serve The Creator in a manner, degree, way, not seeing What He speaks about, not hearing His Words directly, but through the mentality He delivers What He Wills thousands of human beings to learn about, to understand more, in reference to The Divine, but also, what a privilege it is to be born a human being, having a Goal Greater than the human mind can perceive It to be.

Children throughout the world are not learning the importance of speaking to the Saints quietly, personally, understanding that the Saints are always evident where they are, not an open way, but in a very Powerful Way, because so often an individual in readiness to make a decision, will be quietly told to change it, sometimes at the last moment, and the new thought is much more advantageous. That is how close you are to the Saints, and the Saints are to you.

There is no preference in age or gender.

Today throughout the world, there are so many individuals accepting all that is impure, mentally, physically, morally, bound by what they call venturing into a new manner of thinking, of worldliness, of understanding a greater degree of humanity, feeling the progress should be seen and accepted readily.

I beseech all who write these Words, who read these Words, and those who will instruct others on these Words, to remind the mentalities of all concerned that there is a Divine Entity Greater than the human mind can perceive It to be, and there is a deadly entity of hate, jealousy, that tries in every way to supersede what is morally pure, right, correct, and beneficial to the Soul.

I could speak hours on this subject, but The Father Wills All of Us to just give what the individuals can handle at a particular time, because it is easier to remember when there is not too much spoken, implied or directed.

Many Divine Blessings have passed through this Gift that bears the Name of The Beloved One. It is important that All that is written be passed in all directions, alerting others to realize that human life is not alone, ***because each individual bears a Portion of Divine Love called the Soul. It was placed in human life for a Reason, a Purpose, and a Goal to one day represent that individual in the Kingdom of Heaven.***

As I close My Words, I say with deep love for human life, 'Follow the Will of The Creator, never forget the Commandments that were given a long time ago, and also bear in mind every moment of the day, that within you, you carry a Portion of The Creator that should be honored with dignity and love, and remember that one day It is to be returned to The Creator, not necessarily known to the

world by the word “Saint”, because all human life will not be that notable, but just remember to return to The Father That Portion of Him that you carried through life, giving you the Strength, the Courage, the Hope of His Divine Love, so you would have the ability to one day be with Him.’”
