

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON OCTOBER 30, 2003 AT 12:43 P.M.

SAINT ATHANASIUS

“I am Saint Athanasius.

When The Father beckons for One of Us to speak in this **Special Gift** He has given to the whole world of human life, it is a privilege to Us Saints to become a Part of The Father’s Will, to deliver Words of Hope, Instruction, that will automatically give an individual strength, more understanding, and participation in delivering Words to thousands of other individuals, thus **giving them Guidance on Divine Will through the Written Word delivered by Heaven.**

Even though you might hear an individual say, ‘It is difficult for me to believe that The Father would choose a voice, a human voice, to deliver so much Instruction, ordering the Saints to give Instructions to those who are yet alive in the physical role,’ it is important to realize that What passes through The Father’s Love is of Divine Purpose, due to the fact that the Souls of millions of human beings could be saved by What He allows so Many Saints Here in the Heavens to have put into script, for others to read, to learn from, because there is so little human understanding regarding **the Close Association human lives have to The Creator of All Things, and that He Innately, Earnestly, Lovingly, does all things practical to help save Souls.**

It is a difficult subject for some to understand, because their remarks are: ‘What I have just heard sounds right, practical for my human mind, but I cannot see my Soul, I cannot feel my Soul; how will I know that my Soul will share the Benefits of All that The Father gives, with other Souls Who do not have the one They are in, to help them in the same measure, degree and way?’

I smile at this, because Souls, in some form, do communicate in a degree and manner, not understandable to the human mind, but there is much hope in a Soul when the physical it has been in no longer exists.

As I close these Words, I ask those who take Them, and those who will read Them, to remember: ***You are never alone from the moment of your conception, because you are gifted with a Portion of The Creator, called 'the Soul', and the Soul is ever ready to give to a small child, attention that is never seen, but sometimes it is felt by those around.***

As I close these Words, I close Them to allow you to share What has just been said, because all through time, there have been times when The Creator shared His Sensitivities, His Love for human life, by giving to certain individuals Words they did not understand from Where They were coming; they thought they were thinking it. This was a Gift of Divine Love, as this Gift today, and all the other days that Words have been delivered for all who read Them, to never forget ***they are the custodian of a Portion of The Creator, their Soul.***"
