

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 7, 2003 AT 1:00 P.M.

OUR HEAVENLY MOTHER

“I am your Heavenly Mother.

In spite of all that is being acted out, thought about, and practiced through the human way of life in so many areas, The Father wants all individuals, no matter what religion they follow, to understand that *they have within them a Portion of Him they cannot see, but It is evident through their abilities to speak, to learn, to hear, and to be able to discern what is pure over what is impure, just over unjust, right over wrong.*

I know I speak rapidly, but these Words are Important, because throughout the world there is so little emphasis resisting the reality of the Importance of human life. So much is based on human interpretation, human error, yet accepting it as right.

As I close these Words, I desire Them to travel far and wide; hopefully, They will alert millions of all ages, to think in a different degree of attitude, perception, understanding, and what they follow in their daily way of life.”
