

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON NOVEMBER 11, 2003 AT 12:28 P.M.

SAINT JOSAPHAT

**“I** am Saint Josaphat. I come on this day to remind those present, and those who will read these Words, ***you live in a time of Great Importance, due to the fact that The Father, in His Love for human life, has and is allowing so Many Saints Here in the Heavens to speak openly on Subject Matter not usually of much concern to the average human way of life.***

**Spirituality** has many facets to it, within it, and for it. It was designed by The Father to draw human beings to an Important Subject for the sake of their Souls, because without spiritual understanding or dedication, the human mind would be on all subjects that basically would have no understanding, no consideration, regarding the Most Important Part of human life, that ***human beings bear within them a Portion of The Creator, called ‘the Soul’.***

**T**hough It cannot be seen, It is felt by the very sensitivity of an individual knowing right from wrong, purity from impurity, justice from injustice, and of course, peace before chaotic confusion of mixed ideas, ideals, or patronization.

**A**s I close these Words, I bless those who take Them, but hopefully the Words will be passed on to allow others who will read Them, to see what a ***Great Treasure human life is, and that each human being has within them a Portion of The Creator, called ‘the Soul’.***”
